

Guidance Note: Non-Business Days

References: Chapter 10, CMAEC Business Rules

---

## **Introduction**

This Guidance Note has been issued to assist all who do business with the Exchange in defining a business day and a non-business day.

## **Regulatory Objectives**

The Board of CMAEC reserves the right to declare other days as business days or non-business days as it sees fit and will notify its decisions during the latter half of the calendar year for the following year. Exchange brokers are to ensure that their clients are aware of the declared business days and non-business days so that they may better conduct their affairs with the Exchange.

## **Scope of Guidance Note**

This guidance note is intended to assist Exchange brokers to comply with their obligations under the CMAEC Business Rules. It is not exhaustive, does not in any way act as a substitute for any CMAEC Business Rules and is not binding on the Exchange in its application of the Rules in any particular case.

This guidance note does not constitute legal advice by the Exchange. Where appropriate, Exchange brokers should obtain their own professional advice about compliance with their obligations under the CMAEC Business Rules.
